**Pupil Premium Spending:**

The Government has given all schools some extra funding to support children who are eligible for Free School Meals as well as children who are looked after by Local Authorities, often by means of fostering arrangements. In addition, the funding is allocated to children whose children are in the Armed Forces. We are expected to use the money to raise children’s academic, social and personal achievements. For our School for the year 2014/15, the pupil premium funding amounts to £162,096 which includes funding for Looked After Children, as well as Forces Children. The information below details our planned spend for pupil premium children for the academic year 2014/15.
